Dear Brian:

It has come to our attention that you merged your firm with David Jones effective April 19, 2016.

You entered into a consulting agreement with us on October 19, 2014 to sell/merge your firm. (I have enclosed a copy for your convenience.) Through our marketing efforts we introduced you to David Jones. Based on the facts we are due a fee. I would appreciate you sending us documentation on the merger so we can determine our fee.

Please send the information or any correspondence to our office address as indicated on this letter.

Regards,  
Naab Consulting
